Compleo Health Limited is committed to making a positive social and economic contribution to the healthcare sector. Our Corporate Social Responsibility (CSR) program is an integral part of our mission to provide high-quality diagnostic imaging services while contributing to the well-being of the communities we serve and the environment.

1. Quality Healthcare

We are dedicated to improving patient care and healthcare quality. We pledge to:

- Maintain the highest standards of accuracy and excellence in our diagnostic imaging services.
- Continuously invest in state-of-the-art technology and training for our staff to ensure high-quality clinical service and patient care.
- Collaborate with healthcare professionals to enhance patient care and ensure ongoing quality improvement.

2. Patient-centred Care

We prioritise patient well-being and comfort. We are committed to:

- Ensuring a compassionate and supportive environment for all patients under our care.
- Treating patients with honesty and integrity, and to provide clear and understandable information regarding their diagnostic procedures.
- Providing the best possible care for each individual patient, irrespective of ethnicity or background,

ensuring everyone receives the highest standard of healthcare services.

3. Ethical Conduct

We conduct our business with the utmost integrity and ethics. We promise to:

- Operate in compliance with all applicable laws, regulations, and industry standards.
- Safeguard patient confidentiality and privacy with the highest standards of data security.
- Cultivate a diverse and inclusive environment that values all patients, customers, and employees.

4. Sustainability

We acknowledge our responsibility to minimise our environmental impact. We are dedicated to:

- Integrating eco-friendly and sustainable practices into our daily operations, with a specific focus on reducing greenhouse gas emissions.
- Encouraging and supporting innovative solutions that reduce our footprint on the planet's natural resources.
- Supporting initiatives that improve the overall health and sustainability of the communities we serve.

5. Community Engagement

We believe in giving back to the communities we serve. We commit to:

- Actively participate in community health and wellness programs.
- Supporting local charitable organisations and healthcare initiatives.
- Encouraging our employees to volunteer and make a positive impact in their communities.

6. Continuous Improvement

We are dedicated to ongoing CSR improvements. We will:

- Regularly assess and evaluate the impact of our CSR initiatives.
- Seek feedback from our stakeholders to guide our CSR efforts.
- Adapt and expand our CSR program to address emerging healthcare and social issues.

At Compleo Health Limited, we understand that our success is intertwined with the health and well-being of our patients and communities. Through our CSR initiatives, we strive to contribute to a healthier, more sustainable future for all.
